### Contract Renewal Information:

The above referenced contract is requested to be renewed under the same terms and conditions of **P03-011** and at either current contract prices/discounts or at prices/discounts more favorable to the City of Tempe. Should a price increase be requested, such request must be in conformity to the original City solicitation/contract, must be thoroughly justified and documented as a true passthrough cost. Any price increase request must be made at least 30 days before the expiration of the contract and must be approved in writing by the City Procurement Office. Any request for a price increase may cause withdrawal of this Contract Renewal Notice. If a contractor has lowered the market price(s) of any item(s) on the City's contract, then such lowered prices should be offered to the City of Tempe. All contract renewals with an annual value of \$30,000 or more must be approved by City Council prior to acceptance of renewal.

Where performance bonds and/or insurance coverage were requirements of the City's original solicitation/contract, a renewing contractor must provide evidence of bonds and/or insurance extensions as applicable to ongoing City of Tempe contracts.

Contractor hereby acknowledges receipt and understanding of above Contract Renewal Notice and that a signed copy of this notice must be filed with the City of Tempe Procurement Office before the stated effective date. Failure to return this form within ten (10) days may result in contract cancellation.

Ted,

Just received information that the Phoenix 800 MHz Subscriber Contract has been renewed. The contract runs from December 1, 2006 thru November 30, 2007. I have asked my counter part that handles The City of Phoenix for the contract. Have them listed below. Please contact me if you have any questions.

Regards,
